SUBLIMATED POLO

Why not utilise our highly talented design team to create a custom designed fully sublimated polo and shorts to make your school stand out from the rest. Avoid the additional costs of embroidered logos, longer turn around times and have your school uniforms printed in the garment all in one step.

Our sublimated garments offer all the same features as our cut and sew garments like zip pockets, gussets, mesh panels. Our sublimated polo material comes in our customised 150gsm honeycomb material or standard 160gsm sportsmesh polyester. Like our cut and sew style shorts, we use the same microfibre material for our sublimated shorts.
